JAKARTA

A FOUR SEASONS • REGENT HOTEL

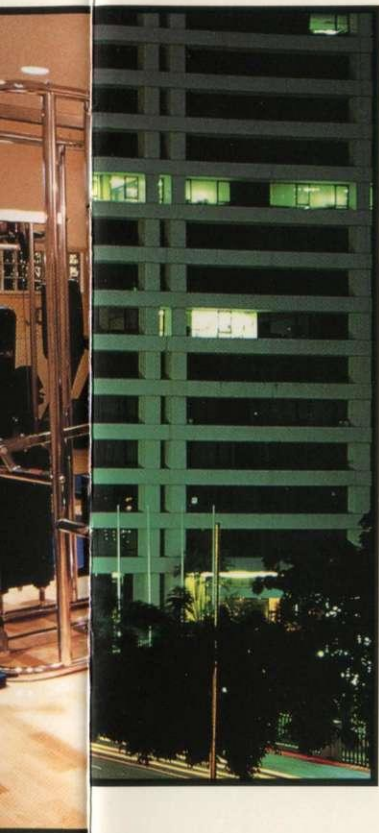

Jakarta. Settled by the Dutch over 400 years ago, *the capital of the world's largest archipelago is today a thriving commercial centre. A rich mosaic of diverse cultures, where, among the contrasting paradox of modern metropolis and exotic Indonesian heritage, you'll find the charms of quite another world. The Regent.*

**Dynamic, exuberant Jakarta.** *The economic heart of the largest archipelago on the globe.*

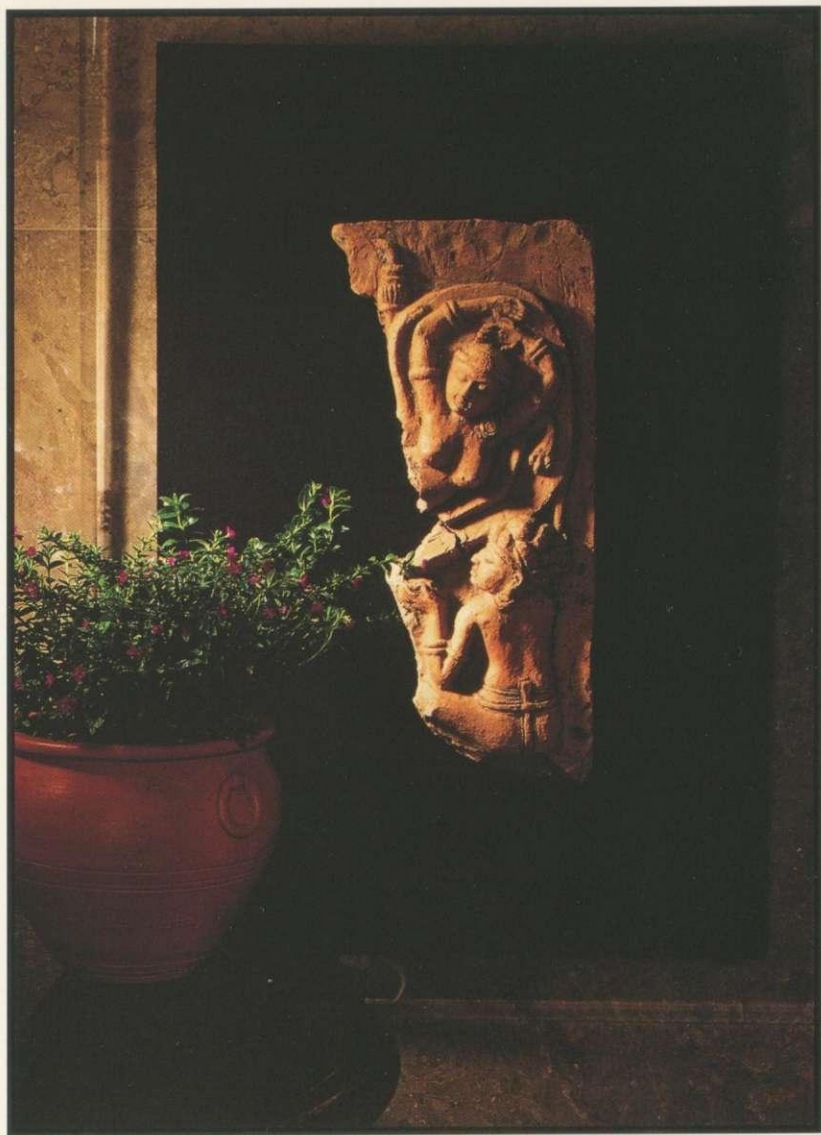

**A blend of economic vitality and**

**enchanted tradition.** Jakarta. The business hub of Indonesia. A thriving commercial centre, where currents of electric vitality serve to reflect the intensity of its economic boom.

*Affluence within the capital is not without its transformations. The towering skyscrapers, tree-lined boulevards and fast-paced lifestyle symbolise a city incessantly on the move.*

*Yet, beneath the dynamic veneer, a unique historic past, blending with a lively mixture of cultures, emerges. The adventurous spirit of the Portuguese spice traders. The last semblances of Dutch influence. A gentle smile from the lips of genuine friendliness. This is the local flavour of Jakarta. At The Regent, you'll experience a refined sense of Indonesian style.*

**Aesthetic traditions of a bygone age** *harmonise with the spirit of enterprise.*

**The perfect business address.** Your arrival to a private world of business preludes a Regent welcome of hospitality, warmth and style. Perfectly located in the centre of Jakarta's Golden Triangle, and bordered by Jl. Rasuna Said and Jl. Sudirman, professional needs are swiftly answered with the convenience of the most accessible address.

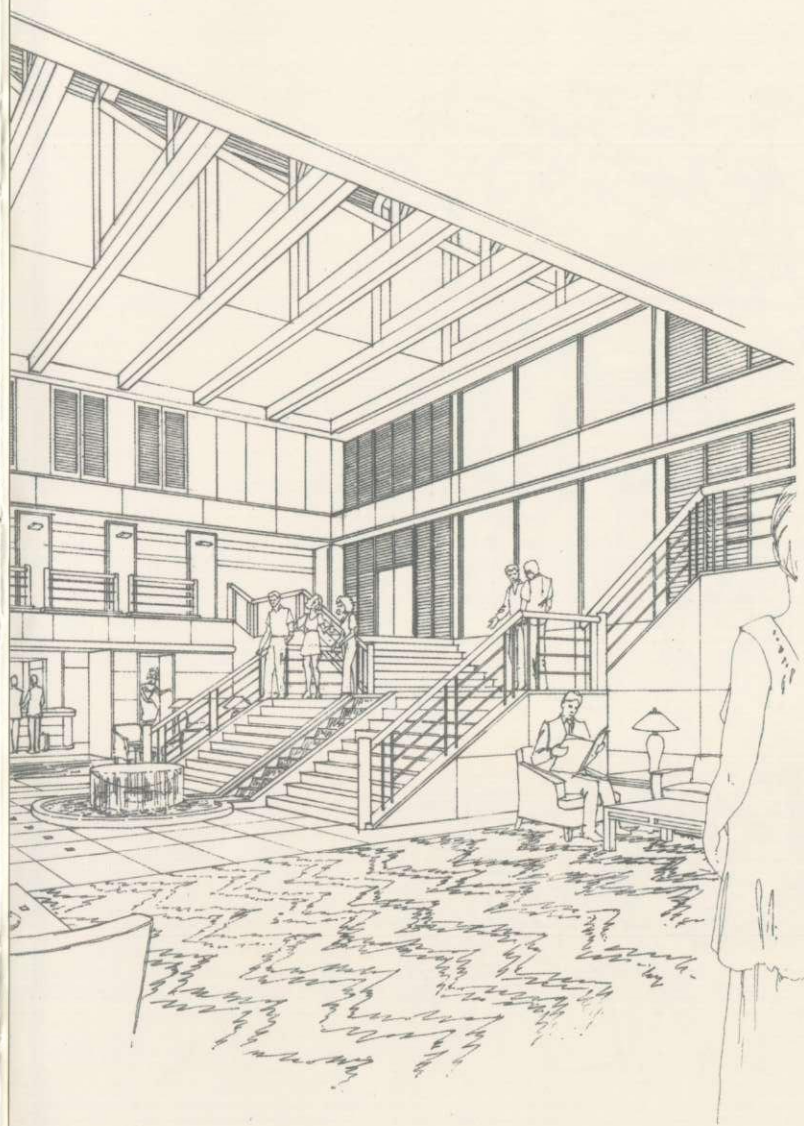

Once inside, tranquillity contrasts with the spirit of the central business district. Six acres of lush landscape, fountains and courtyards bordered with tropical palms offer a canopy of quiet seclusion. Complementing the sophisticated interior, fifteenth century traditions resurrected in wood sculpted reality applaud.

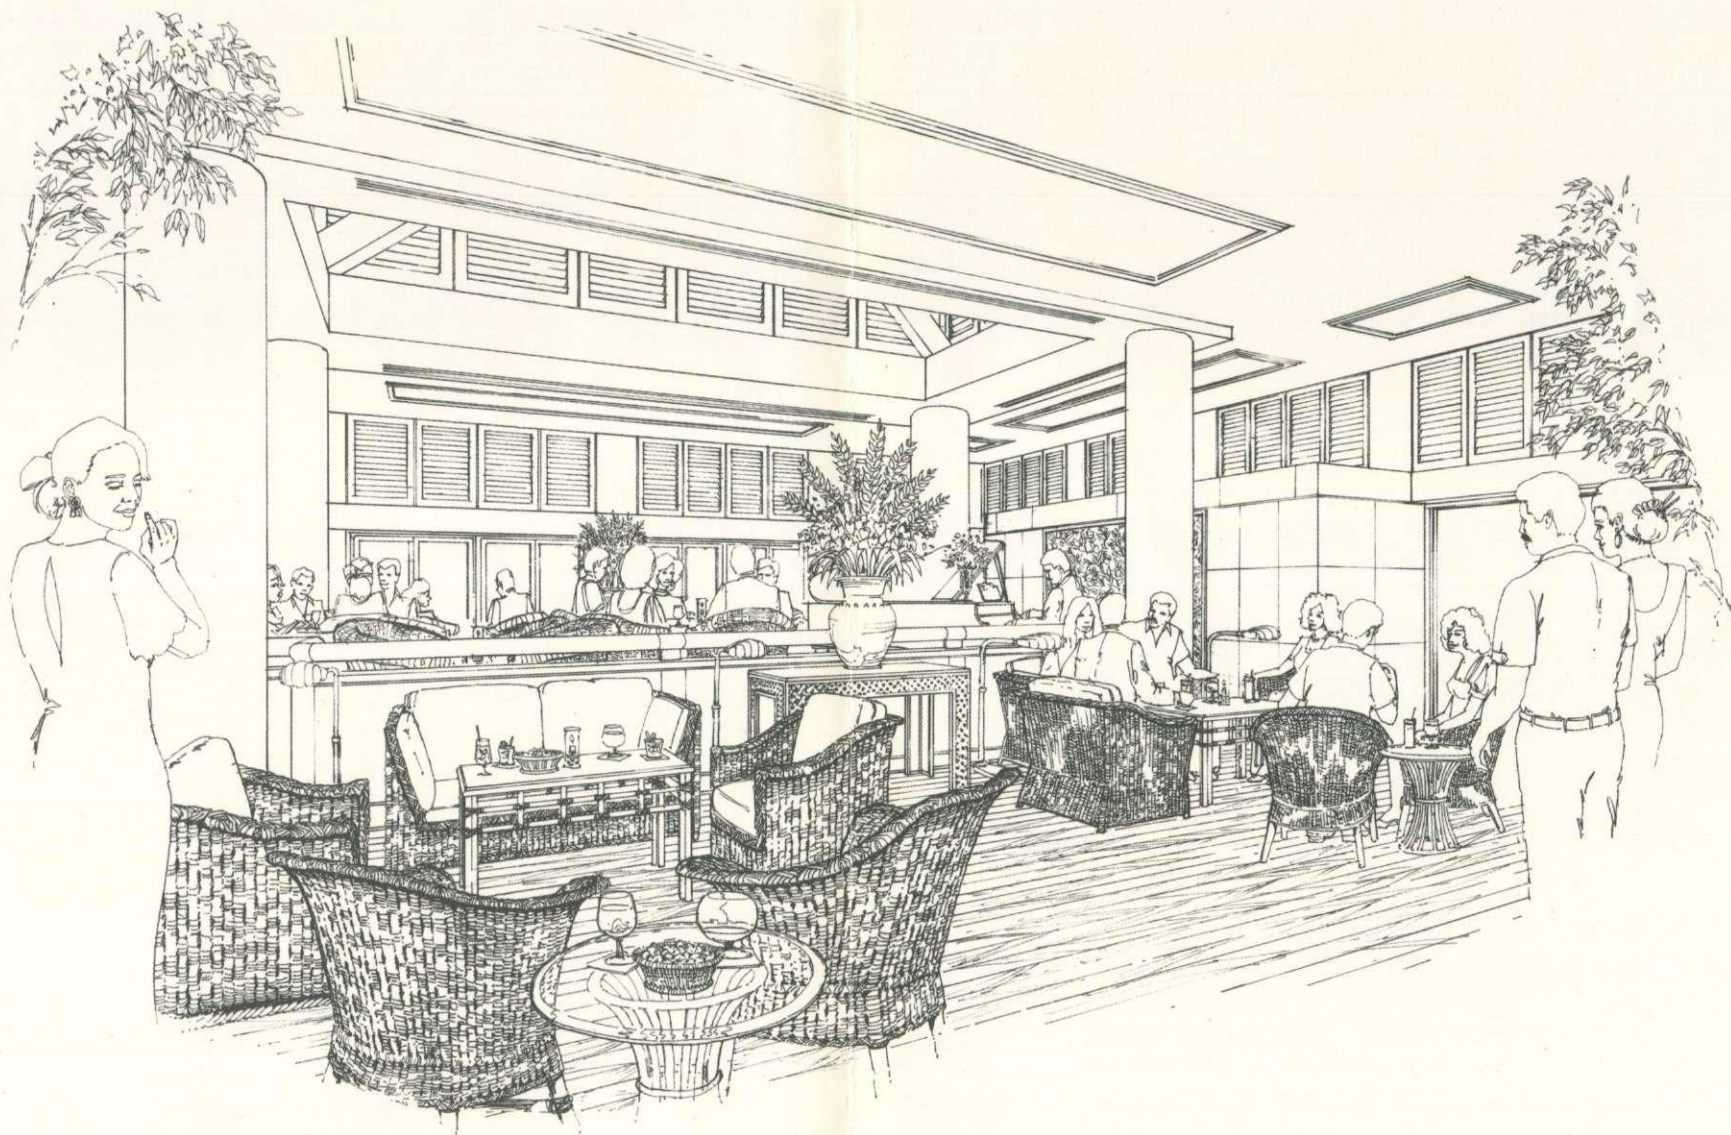

The Regent, an oasis, a chance to momentarily forget the day to day activity of the business world.

**The Lobby.** *Destined to become Jakarta's preeminent meeting place.*

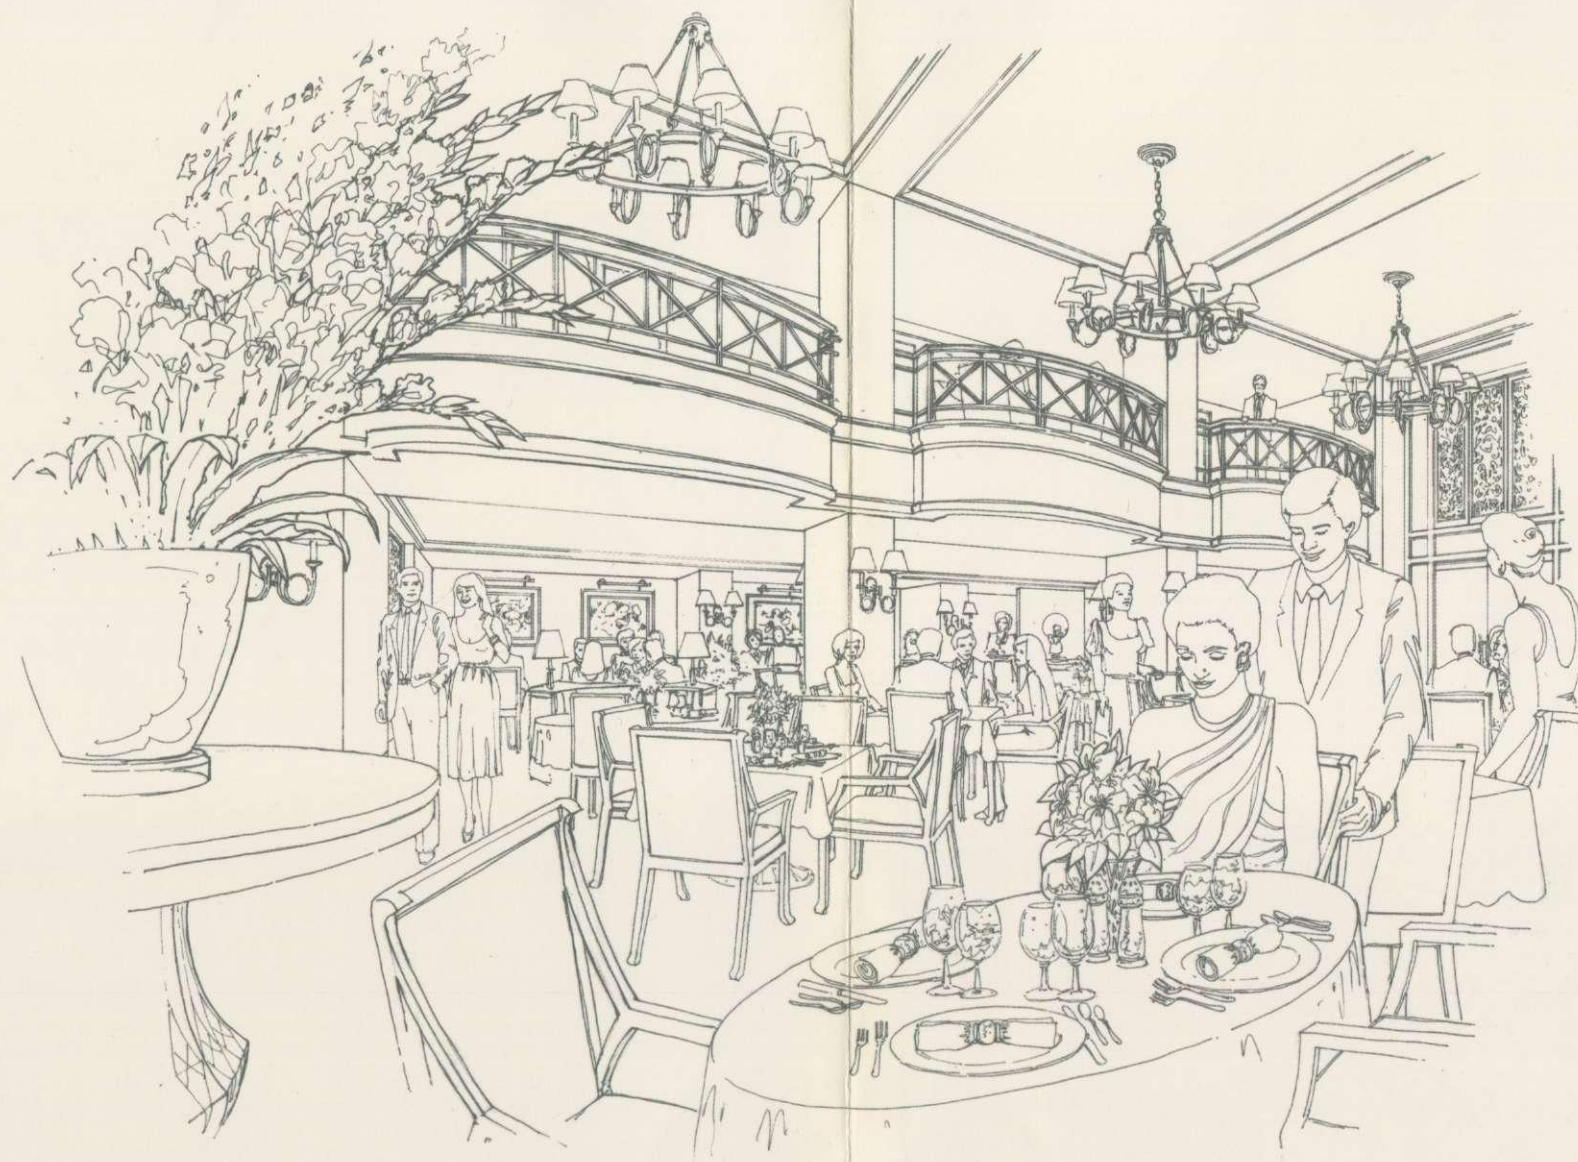

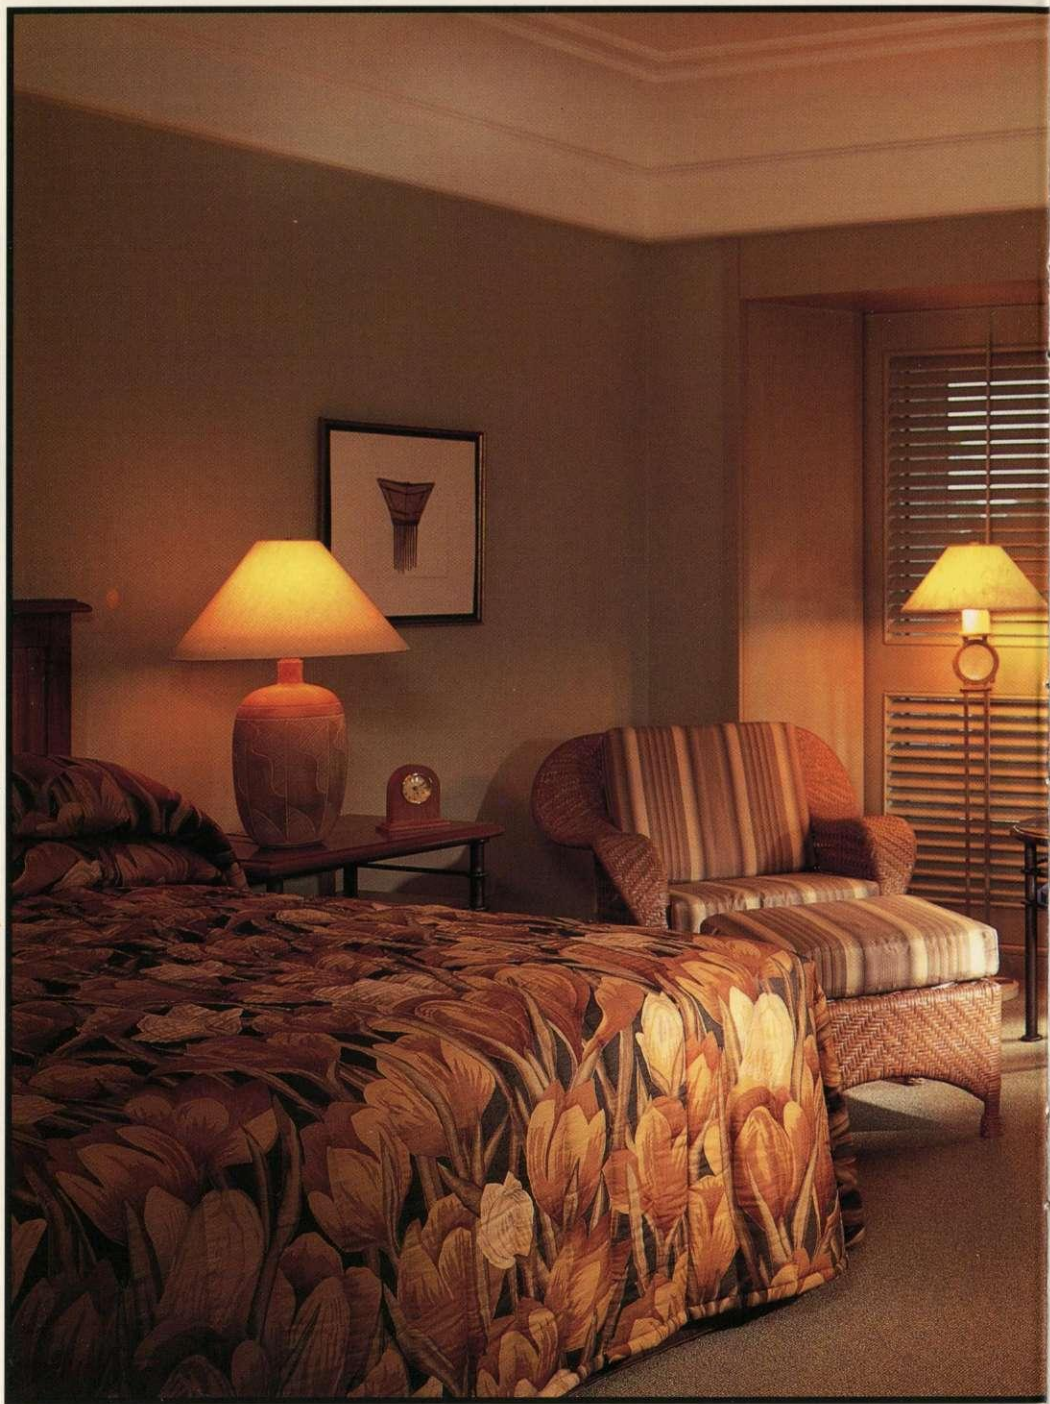

**Garden Terrace.** The perfect place to unwind over coffee, a light lunch, high tea or evening cocktails. Live classical music enhances the atmosphere of tranquillity.

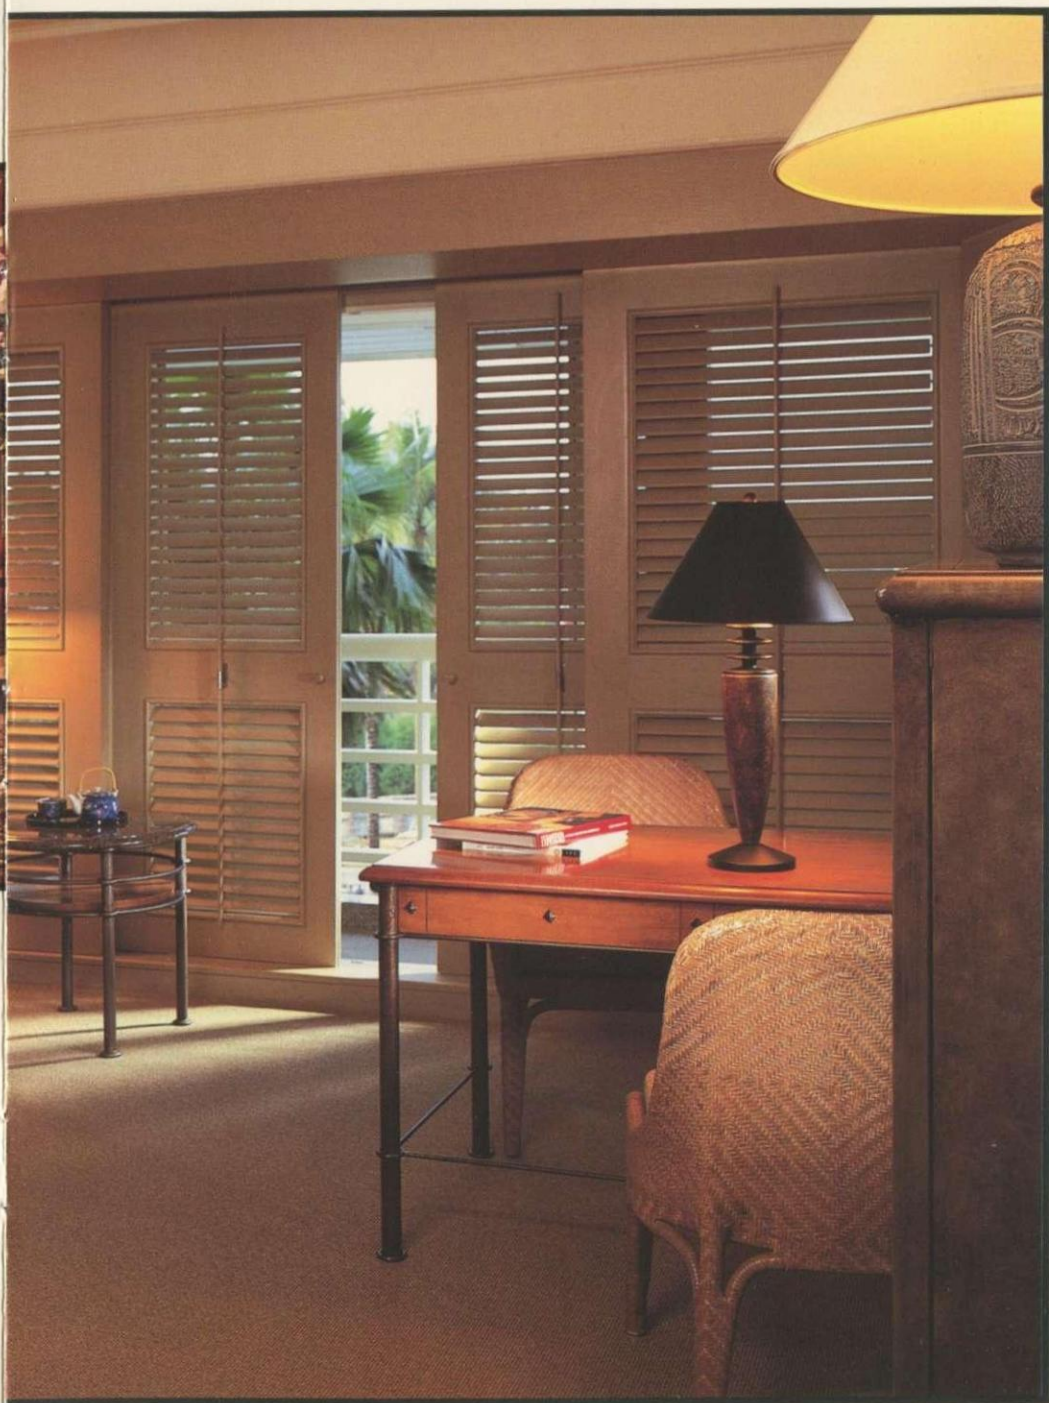

**Asiatique.** A sophisticated dining experience offering fine regional cuisine. Classic Asian art and antiques accentuate an elegant yet contemporary environment.

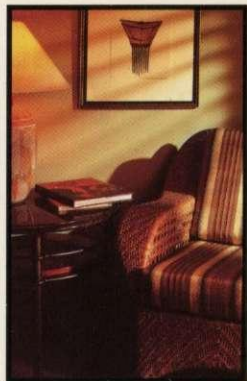

**The largest guestrooms in Jakarta** are conducive to business productivity and pure relaxation.

**Residential comfort, Regent style.**

*378 guestrooms and suites, the largest, most generously appointed in Jakarta, are the definitive answer to the needs of the executive traveller.*

*Contemporary decor blends with 55 square metres of spacious elegance. Offering an airy, peaceful and comfortable environment in which to concentrate on work or prepare for a meeting. Complete with an executive desk, IDD telephones and fax machine upon request. In fact, everything has been thought of to help you attain the highest levels of productivity.*

*After a day full of business, savour a quiet moment from the privacy of your balcony. Within the marbled tranquillity of the bathroom, the soaking bathtub and separate glass-enclosed shower will help you relax and feel rejuvenated.*

*The demands of international travel never really stop. Round the clock butler service is on call to assist with your requests regardless of the hour. It is this personal attention to your business needs that is the very essence of Regent style.*

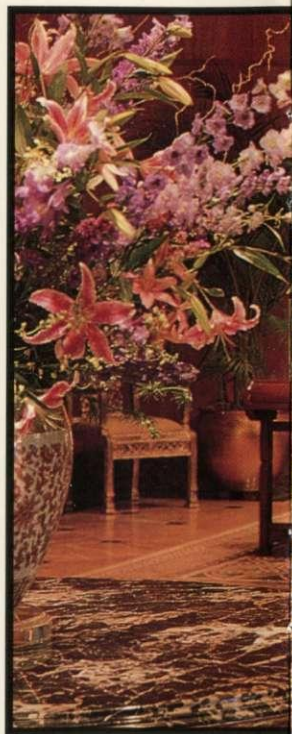

**The exclusive world of The Regent**

**Club.** *For the traveller who requires a more personalised level of convenience, The Regent Club confers upon our most valued guests all the privileges expected of a prestigious club membership.*

*Four dedicated floors, a haven of unsurpassed service, represent an executive world of private living. The ultimate environment to conduct your business.*

*Exclusive check-in and check-out facilities ensure you receive the recognition you deserve. A complimentary executive lounge and two meeting rooms provide comfortable surroundings and privacy in which to socialise or liaise with colleagues.*

*At The Regent Club, join a world of personalised service. A world where guest relations officers tackle the most complicated requests 24 hours a day. Start your morning with a full service breakfast prepared to your liking. Our complimentary limousine awaits to take you to your first business appointment of the day.*

*Within The Regent Club every last detail  
has been meticulously considered to help  
you maintain your high standards of  
productivity.*

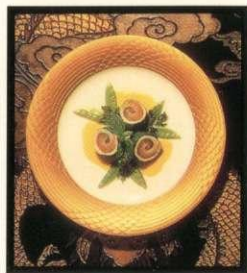

**The Regent Steak House.** Famed for its prime U.S. beef, fresh seafood and succulent poultry served from an open air charcoal grill.

**An invitation to dine.** *An eclectic array of restaurants suit whichever occasion business dictates. Whatever your preference, the flavours of Indonesia, the delicacies of Asia, the creative allure of western fare, a culinary experience adorns every lunch or evening à la carte menu.*

*The light informality of The Regent Steak House creates the perfect, casual atmosphere. For a more formal occasion, Asiatique's Pacific Rim style and gentle exclusivity complements a private dinner with clients and colleagues. Or step into Seasons Cafe, where the natural garden setting invites you to enjoy the convenience of all-day dining without having to compromise your active schedule.*

*In the evening, retreat to The Bar for exotic cocktails and conversation. For a more tranquil environment, the Garden Terrace is the perfect place to relax and unwind.*

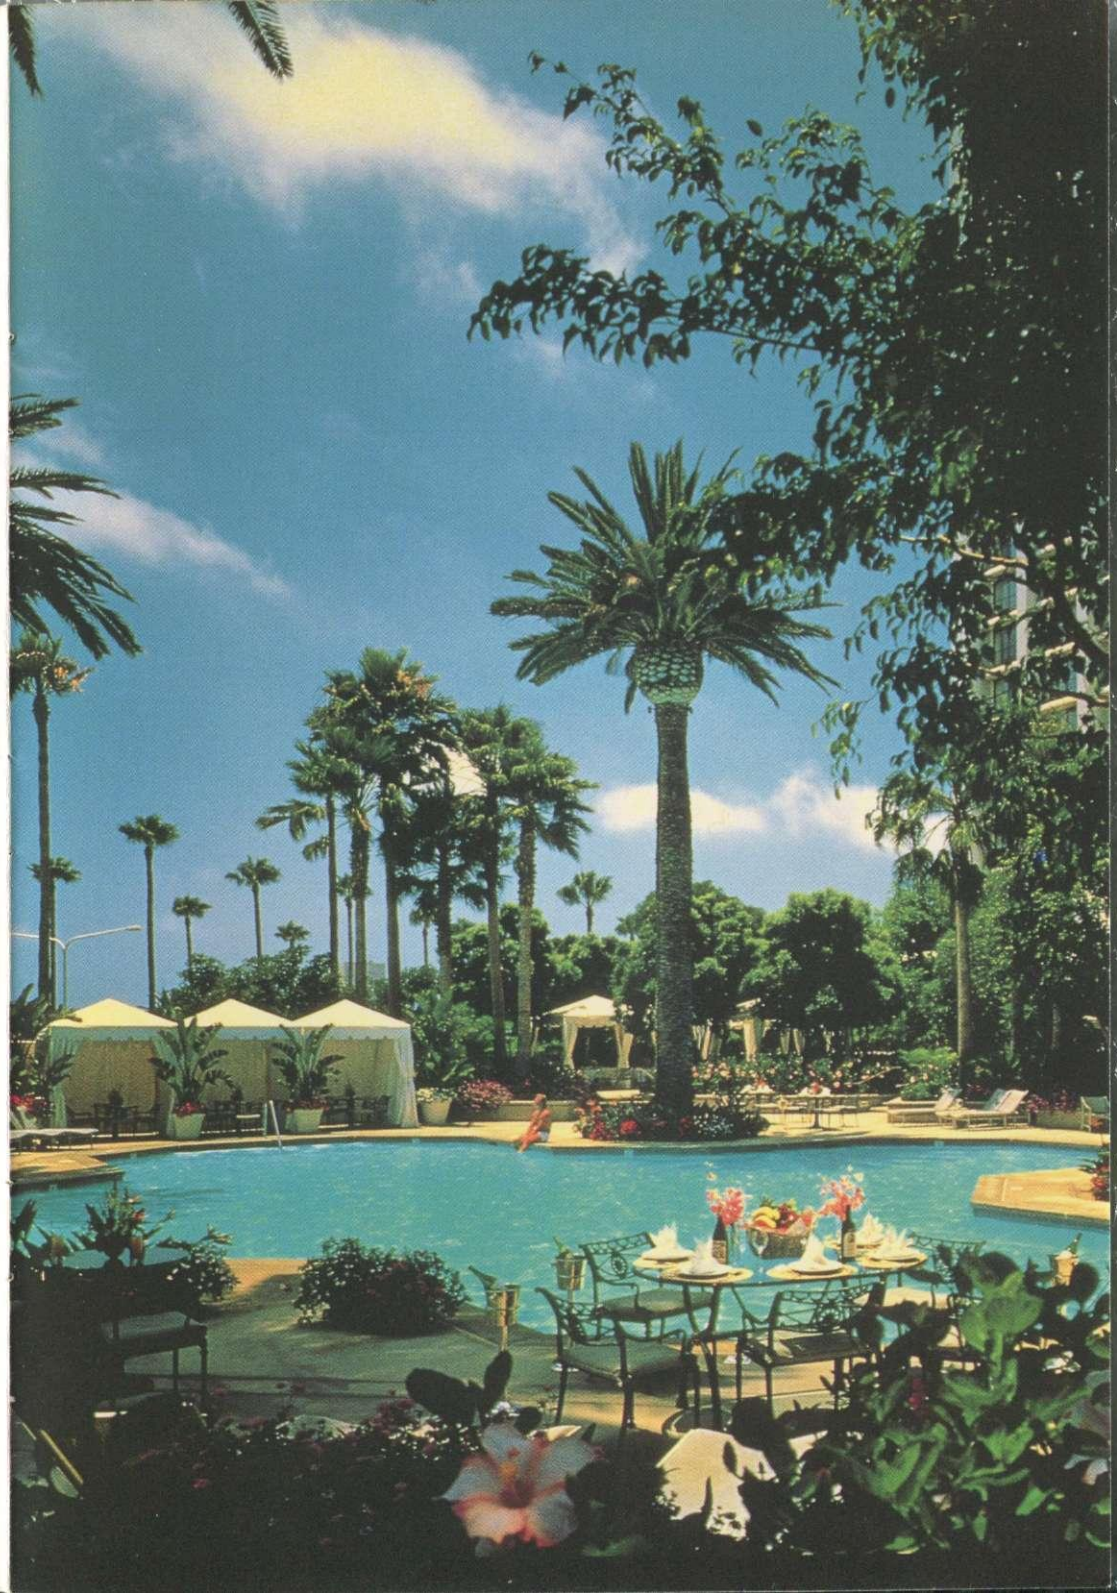

**The pleasure of business.** *At The Regent, we support your goal to meet the demands of your working day. Likewise, our important regard for your leisure time is evident through our extensive range of recreational facilities.*

*To rejuvenate your mind, glorious relaxation awaits under an open sky. Fringed by lush, tropical greenery, the crystal clear waters of the 25 metre pool invite you to swim laps or simply unwind. Refreshed and revitalised, restore your competitive edge with a game of tennis on one of two supergrass floodlit courts, compliments of The Regent. However you wish to revive your spirits, we make it our business to help you momentarily forget yours.*

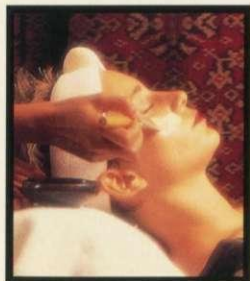

### **Health and fitness at The Regent.**

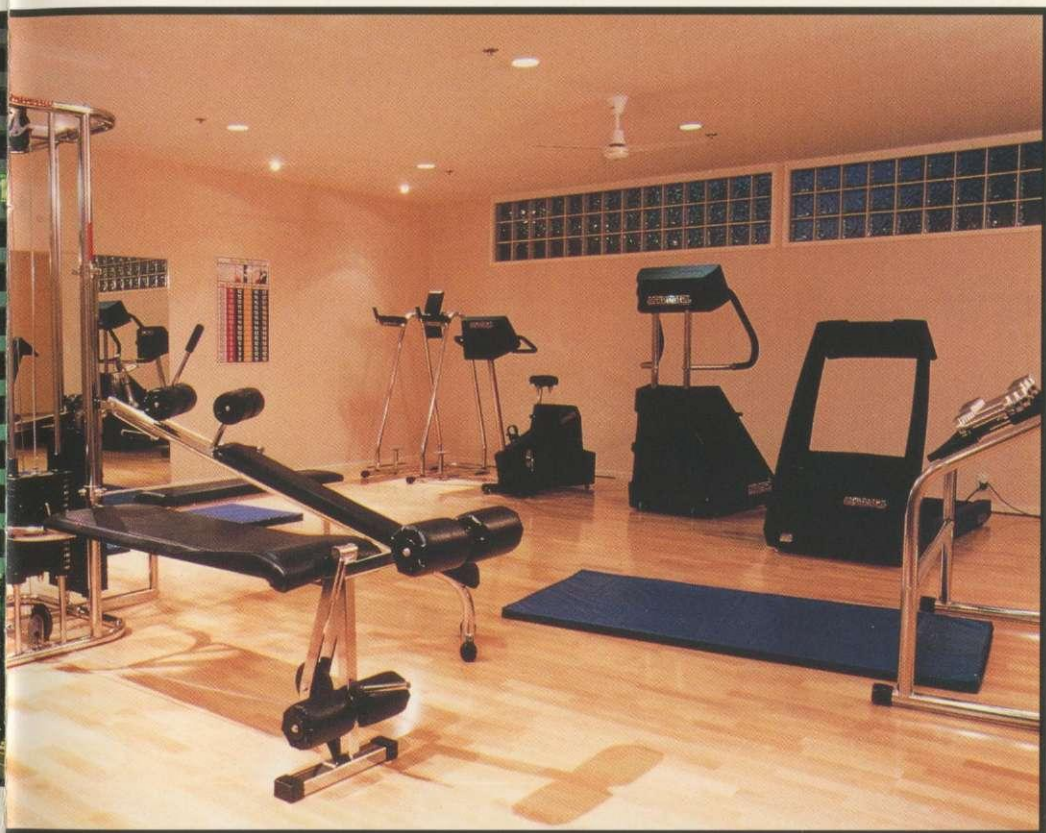

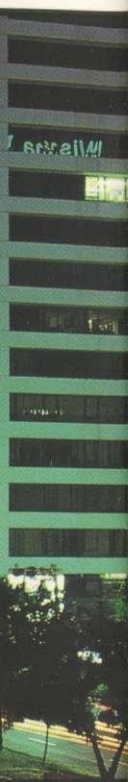

*You've exercised your mind in the central business district. Now work your body with the latest cardiovascular equipment in The Regent Health Club. Complete with strength training equipment, treadmills, stairclimber and aerobics studio.*

*If you choose, one of our professional instructors will guide you through your personal training programme. Regardless of your fitness level, at The Regent you will never have to compromise your health and fitness regime.*

*To relieve tired muscles, a complete menu of natural spa treatments melt away any trouble. Step into the sauna or bubbling jacuzzi. Unwind with a massage, a dip in the plunge pool. Pure relaxation.*

**Business round the clock.** *At The Regent, we offer a total response to the needs of the international traveller. A response which culminates in our 24 hour Business Centre.*

*Equipped to provide executive services round the clock, you can rely on its dedicated staff to carry on working for you, even if you happen to stop.*

*From secretarial assistance, word processing, translation, faxing and photocopying to arranging a private conference room, portable phones and pagers, we endeavour to support you with a complete variety of services.*

*It is our professional attitude towards your business that has created the reputation of the renowned Regent name.*
